Christmas Day:

Due to Christmas falling on a Sunday, Pastor Rick has decided to cancel services Christmas morning in order to allow each of you to spend time with family and reflect on the beauty of the holiday, and the greatest gift we have received through Jesus Christ.

December Events

Women's and Men's Group

The women and men will meet together on Tuesday, December 13th. We will all eat dinner together, and then split up for games. Ladies, please bring your favorite appetizer or desert, and bring a wrapped ornament for a gift exchange.

Waco Community Choir and Renovation Church Worship

The Waco Community Choir (WCC) will partner with Renovation church for a Christmas concert on December 16th at 6pm at the Central National Bank on Highway 84. If you have any questions, please talk to Pastor Noah.

Early Christmas Service

Erica Spence will be joining us on Friday, December 23rd, to lead us in a Christmas worship service followed by the telling of the Christmas story for our children and families. Bring your kiddos and come ready to learn what Christmas is all about.

Christmas Day

Christmas falls on a Sunday this year! We will not have services that Sunday, instead Pastor Rick wants everyone to stay home with their families and reflect on the gift of Jesus Christ.

PDO

Our parent's day out is already enrolling for the spring semester! If you would like to enroll your child, or have any questions, please contact Amy Wells.
